Residual (Balloon Payment)

Residual Value ex. GST

At the end of the lease, you can choose to:

- Sell or trade your car, pocket the difference between the residual and sale price (inc GST) as a tax-free windfall and get into a new car on a new lease;
- Re-lease the car and retain your tax benefits. The residual (ex GST) becomes the new vehicle price on which the lease payments are calculated; Or
- Keep your car by paying off the residual (inc GST).

If paid out, GST is applied to the residual.
If re-leased, GST is not applied.
