Your lease summary

Your chosen novated lease term

Years

Your lease term is still flexible, and designed to reflect how long you'd like to keep the car. Adjusting this term will adjust the amount you pay Monthly , as well as you residual at the end of your lease.

Let's talk finance and add-on insurance inclusions

Here's where we dig a little deeper into what your estimated amount financed includes. Like the car and add-on lease insurances.

Your total amount financed

Includes the car, first year comprehensive insurance and add-on insurance to protect the lease itself.

Car finance

First year Comprehensive Insurance - (Oly arranged)
You have the choice of repairer. Please refer to your PDS for details about choice of repairer.
Chat to your consultant if you'd like to arrange this yourself.

Add-on lease insurances you've chosen

Total amount financed

Understanding the full benefits and conditions of the insurances you choose to include or exclude with your lease is important. Then choose ones best suited to your circumstances as you won't be able to add these insurances once your lease has begun.
^ Annual renewals are covered by your running costs.
Disclaimer: please read the Product Disclosure Statements before making a decision about an insurance product.

Your estimated total Monthly deductions

This amount covers everything from the car's finance to your running costs and is estimated based on an annualised figure.

Why does the package cost more than the car?

Your regular payment doesn't just cover the cost of the car, but all those ongoing car-related costs as well. That means never worrying about having the money to pay for your rego or servicing again....

Here's your budget for keeping the car on the road

Oly has built an estimated budget for your running costs. By rolling all your driving costs into one, nifty regular payment with a novated lease, you could access tax savings and surprise bills at registration renewal time.

Running costs and servicing

Flexible budgeting for your fuel, scheduled servicing and more. It's always your money. You choose how you spend it and when.

You've estimated you'll drive km / year

How it works:

Oly uses the kilometres you've estimated you'll drive to put together a flexible budget that kicks bill shock to the kerb. Think you'll drive more? Just get in touch with your Oly expert and they'll adjust your budget to cover the extra expenses. Drive less? Those extra funds can be used to cover unexpected expenses, or Oly will pass them back to you once the lease wraps up.
