The cost of your lease

A detailed background of all the monthly lease cost components for your vehicle.

Total lease cost

per month

Part A + Part B + Part C + Part D

Monthly costs breakdown

PART A (7) **Finance rental**

To allow time for your employer to set up payroll deductions, lease payments start two m ns after your lease begins. As a result, the total lease cost is spread over fewer payments, making your monthly instalment slightly higher than if payments started from the first month. (4)

Financed Amount

(6) **Residual Value (excl GST)**

Based on **months**
