Important information: Figures are illustrative only, and your actual savings may vary due to your personal circumstances. All applicable management fees are included in this quotation as outlined in your organisation's salary packaging agreement. Novated leases are a fixed term commercial finance facility which is not designed to be paid out early. Fees and charges will apply if you terminate your lease before the end of the term. The information in this quote does not constitute financial or tax advice. You should seek independent advice prior to entering into a novated lease. All quotes are subject to finance approval.
